

Hi, every friend

I transmit the Email from Mr. Elton. I think these questions are same which you may want to know.

Hi, Ms. Guo,

Thanks for the information.

The hotel booking information provided only has prices for the different hotels. Our guests understand that they have to pay but would like to know what kind of arrangements will be provided by the committee. Here are their questions:

- Meals: Besides the breakfast from the Hotel, are the guests going to take care of all the meals themselves?
- Joining the event:
  - Will there be passes provided to the guests so that they could attend the 1<sup>st</sup> WMSG and watch the games?
  - What about open and closing ceremonies? Can the guests join these?
- Others:
  - What else will be provided by the organization committee (e.g. local tours, local transportation to/from airport) or the guests will have to arrange all by themselves?

We know there are a lot of questions. However, this information is important to us and this may affect the number of people attending the event this October.

Your input is much appreciated.、

**Elton Yuen**

Hi, Elton Yuen

Glad to receive your letter. And here are the answers to your questions:

#### 1. Meals

According to IMSA's instruction, the Organizing Committee of the 1<sup>st</sup> WMSG will arrange the free food and accommodation for the planed people (players, referees, officials, and etc) , and they will have meals in appointed places separated from the other unplanned people.

The expense of breakfast for unplanned guests will be included in the hotel's fee, and for lunch and dinner they have to pay by themselves.

## 2. Participation

a. Due to the strict administration of this comprehensive tournament, only players, coaches, team captains and staff will have access to the venues by their badges, and other people cannot have badges. So these people will be restricted in watching the games and should also obey the relevant regulations of the WMSG as well. (Except 1 captain and 1 coach, the time for other team staff's staying in the venues is also limited. Relevant regulations should be referred to.)

b. The final version concerning the attendants plan for the opening and closing ceremonies has not come out yet. However, considering the attendants scale limits and the comprehensive events routine, we are afraid that the unplanned guests might not to be invited.

## 3. Reception.

a. Organizing Committee will provide shuttle buses between airport and hotels according to the time table.

b. Organizing Committee does not have the plan for sightseeing but we can provide travel consultation service.

Thanks very much for your support.
